

The Director of Central Intelligence

Washington, D.C. 20505

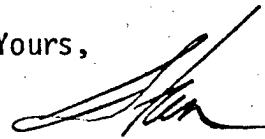

10 October 1978

Dear Bill,

You will recall that last June I sent you a copy of the 1977 Agency study of the prospects for the Soviet economy. The new version has just been published and I'm sending it along for your perusal. Would appreciate any comments you might have on it.

All the best.

Yours,

STANSFIELD TURNER
